

## **FULL TIME CLINICAL AUDIOLOGIST POSITION**

### **AT TORONTO HEARING SERVICES**

#### **AVAILABLE IMMEDIATELY**

Are you looking to join a supportive, collaborative work environment? We are a well-established, independent Audiologist-owned clinic in Markham, Ontario looking for a confident, self-motivated Audiologist to join our team. You must be able to provide exceptional client-based hearing care using best practice guidelines. As well, you must be able to travel to our other clinics in the GTA.

We offer a full range of diagnostic and rehabilitation services, including diagnostic audiological assessments, hearing aid and FM fittings for all ages; we are equipped with leading edge technology to enable you to provide the highest quality of care. There will also be opportunity to expand your clinical skill set to include: tinnitus and hyperacusis assessments and auditory processing assessments if interested. We include strong continuing education training to assist you in upgrading and maintaining your skills.

Responsibilities include but are not limited to:

- Comprehensive hearing evaluations for adults and children
- Prescribing, fitting, programming and verifying hearing instruments and accessories
- Counselling, follow-up support and care for clients and their families

The ideal candidate will possess these skills:

- Experience testing all ages
- Experience dispensing hearing aids to all ages, but predominantly adult population
- Knowledge of hearing aids and programming software from major manufacturers
- Excellent interpersonal and communication skills
- Ability to work independently

Minimum Requirements:

- Master's Degree in Audiology
- Registered with CASLPO
- ADP registered
- Fluent in English, both written and spoken

Strong relationship building, counseling and follow-up skills are required for this position.

Salary: Salary will be commensurate with qualifications, experience and performance.

Additional: Benefits and flex hours are available.

If you feel you are the right candidate for this job, please submit your resume via email to:
